Beachfront Studio Apartment with Storage Room in Estepona This frontline beach studio apartment is located in the popular Costa Galera area of Estepona, offering impressive Mediterranean Sea views and a fantastic position directly by the coast. The apartment offers an open-plan living and sleeping area, one bathroom, and an additional storage room. While the storage room is not large enough to be considered a bedroom, it provides useful additional space for belongings, luggage or general storage. The property also benefits from its own private south-east facing terrace, enclosed with glass curtains, allowing the space and sea views to be enjoyed throughout much of the year. Recently refurbished, the apartment includes air conditioning and access. (Ask for More
