N/A

Incredible opportunity in Manilva village, this is a historical house in the village, built in 1991, only one family has ever owned this. It is a huge property with heaps of potential, it needs some loving, you get a total of 244m2 built property over two floors, The first floor has a terrace west facing and the second floor east facing with incredible mountain views of manilva, casares, estepona. Then you can go up to the solarium of 122m2, with 360 degrees view, it is something spectacular and gives a great feeling of freedom, those who are artistic will feel at home in this property. Then what are we missing,...(Ask for More Details!)
