In one of the most inspiring enclaves of the Costa del Sol, nestled among gentle hills that roll down to the sea, this spectacular newly built villa stands as a haven of peace, design, and light in the heart of Casares Costa. Still relatively undiscovered by many, Casares Costa has been steadily gaining prestige thanks to its perfect balance between authenticity, tranquility, and proximity to everything you may need. Surrounded by Mediterranean nature, peaceful beaches, and world-class golf courses such as Finca Cortesín, this area offers a quality of life that is hard to match-ideal for those seeking a privileged setting without giving up access to iconic destinations like Estepona.
